EXPERIENCE

Checkerboard Royalty Partners, Fort Worth, Texas — October 2026
Freelance Web Developer

- Designed, built and launched the company website (Next.js, TypeScript, Tailwind CSS) on Vercel, including custom domain, business email setup, SPF and DKIM.
- Built an offer-request form with input validation on property details and check stub PDF uploads, and automated lead delivery to email and a shared Google Sheet to preserve data integrity.
- Secured the site and accounts with two-factor authentication, access controls, security headers and spam protection, wrote the data privacy policy, and set up SEO.

Burgher Tax Services, Fort Worth, Texas — June 2026 – August 2026
Tax Intern

- Prepared and filed 30+ individual income tax returns (Form 1040) with K-1, rental, and oil & gas income using UltraTax CS, ensuring accurate reporting for supervisor review.
- Managed client documentation and depreciation schedules across Onvio and Fixed Asset CS, maintaining firm compliance standards during tax season.
- Cleared e-file diagnostics and reconciled audit-ready workpapers to Excel proof sheets across returns maintaining high attention to detail to catching basis and gain discrepancies.

Steamboat Springs Parks and Recreation, Steamboat Springs, Colorado — June 2024 – August 2024
Rodeo Maintenance Worker

- Operated tractors, skid steers, and water trucks to maintain rodeo arenas and prepare Pro Rodeo grounds.
- Maintained bleachers, restrooms, and facility grounds and coordinated with arena staff to keep events ready.
- Inspected and repaired irrigation systems and equipment, keeping detailed safety records.

Windhaven Farm, Plano, Texas — July 2020 – August 2023
Farmhand

- Prepared fields each season by plowing and tilling 365 acres of land for seed planting.
- Maintained 15 acres of properties and pastureland using professional-grade mowing equipment.
- Performed routine maintenance, troubleshooting, and minor repairs across tractors, plows, and various equipment.

LEADERSHIP AND COMMUNITY EXPERIENCE

Business Information Systems Club, TCU — January 2026 – Present
President

- Grew membership from 140 to 250+ and increased attendance and engagement by 80%; oversee executive board operations, strategic planning, budgeting, and semester programming.
- Lead professional development events, alumni mixers, employer presentations, and workshops.
- Develop partnerships with employers, faculty, and student organizations to expand networking and recruiting.
